

Typhon: Reaper of Worlds

Judgment Coming to the Earth
Part II

“Sī vīs pācem, parā
bellum...”

“If you want peace,
prepare for war...”

Publius Vegetius Renatus

(fourth or fifth century A.D.)

The End-Time Seals of Judgment

- Seal One: The White Horse of Judgment: The end-time antichrist system gives a “crown” or “corona” to the rider creating a Conquering Toxin!
 - This Toxin Turns Human Beings into “Cyborgs,” that is, if the person can survive the structural change.
 - This idea was sponsored by the World Economic Forum in 2018, based upon a paper written by [Drs. Manfred E. Clynes and Nathan S. Kline titled: “Cyborgs and Space”, *Astronautics*, September 1960.](#)
 - Human Genetic Structure: Two Strands of DNA ($72,000 * 2 = 144,000$)
 - Cyborg Genetic Structure: Three Strands of DNA ($72,000 * 3 = 216,000$)
 - Mathematical Permutations:
 - Cyborg DNA ($600 * 60 * 6 = 2^6 * 3^3 * 5^3 = 216,000$) Revelation 13:18
 - Human DNA ($600 * 60 * 4 = 2^7 * 3^2 * 5^2 = 144,000$) Revelation 7:4

The End-Time Seals of Judgment

- Seal Two: Second Horse of the Apocalypse – Removal of Peace from the Earth (Not All Out War) – Mass Deaths from the Toxin.
 - Introduction to the Toxin *Remdesivir*, derived from Cobra and Krait snakes.
 - Gilead Sciences [NASDAQ: GILD] recalls a lot of their version of *Remdesivir* called “Veklury” claimed the vial bottles had loose glass in them.
 - Now that there is a push in Congress to change the law giving drug companies “immunity” from suits for patient injuries, we may see even more recalls.
 - The Prosecution of “Limited” wars like we have seen in Ukraine, Israel, and now what is happening with the effective blockade of Taiwan.
 - We can expect more cyberattacks like we have seen in Israel.
 - These attacks will be more precise, targeting specific systems, and “server farms.”

The End-Time Seals of Judgment

- Seal Three: The Black Horse of Economic Collapse –
 - Massive Inflation on an International Scale
 - The Death of Western Culture Through:
 1. Massive Hyperinflation similar to what happened in Weimar Germany.
 2. Food Shortages
 3. Governments Getting Desperate
 4. Corporate Rotation

THE STAGFLATION OF THE 1970S

- By the end of the 1970s, the world economy was again in shambles. Traditional companies were stagnating and discouraging innovation. Socialism was dominant in Europe and the United States was footing the defense bill against the Soviet Union and the Warsaw Pact nations.

The Top Ten Companies in 1970 were:

1. General Motors
2. Exxon (Rockefeller Oil)

8. IBM
9. General Electric
10. Amoco Oil (Rockefeller Oil)

The Tech Boom of 2020

- Traditional industrial corporations have been replaced, first by energy companies and now, by technology. The ability to manage information is important now and will be important in determining who will win the next war and survive the peace.

8. Tesla Inc.
9. Alibaba Group (China)
10. Berkshire-Hathaway

The Tech Boom of 2024

- Traditional industrial corporations have been replaced, first by energy companies and now, by technology. The ability to manage information is important now and will be important in determining who will win the next war and survive the peace.

The Top Ten Companies in 2024 were:

1. Apple Inc.
2. Microsoft Corporation

The End-Time Seals of Judgment

- Seal Four – The Green (KJV: Pale) Horse of Death and She'ol Followed with him over the fourth part of the earth:
 - To Kill with the Sword (Regional Wars, not a World War)
 - Massive Famines
 - Death from Biological Sources
 - With the Beasts (*thērion*) of the Earth (Murder by Cyborg)
- Green/Pale: Greek (χλωρός) *chloros* meaning “green”
 - Appears four times in the New Testament, three times translated “green” and this time translated “pale.”
 - We get our words Chlorophyl, Chlorine, Chloride, and related words.

The End-Time Seals of Judgment

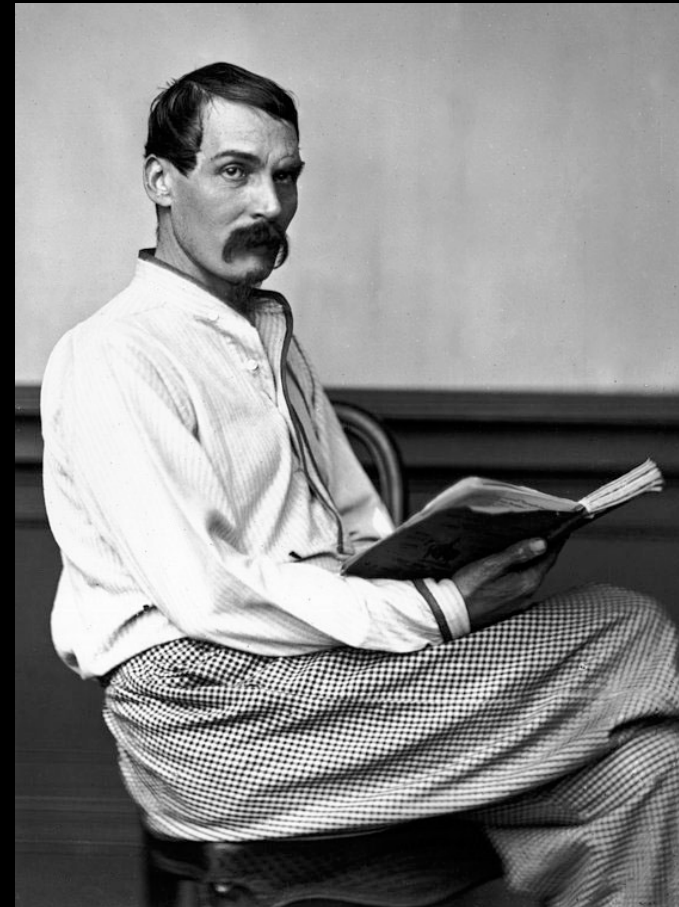

- Seal Five – The Altar of Souls Cries Out!
 - It has been referred to by “scholars” as the “Well of Souls.”
 - It is a place where all the souls of them that were “slain for the Word of Elohiym” and their testimony.
 - These “people” now pray to our Heavenly Father to:
 - Judge the evildoers on the earth
 - Avenge their blood as He did for Abel
 - Our Heavenly Father promises to do these things when the last martyr is killed.

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - The “Well of Souls” was first described in Judaism by Sephardic scholar Rabbi David ben Solomon ibn Abi Zimra (1479-1573) in the 16th century.
 - There is no evidence that he ever visited this location as his time in Jerusalem was short.
 - He was a prolific writer of many scholarly works and over 3,000 halakhic (legal) decisions.
 - He was considered a man of great integrity.

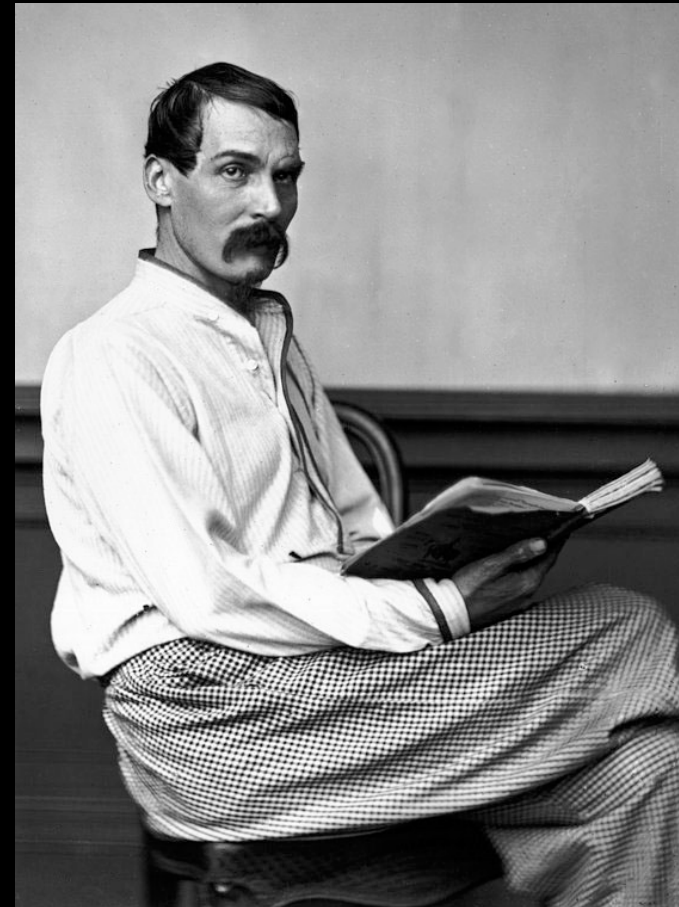

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - In “modern” archeology, the “Well of Souls” was “discovered” by Sir Richard Francis Burton (1821-1890) in 1871.
 - Sir Richard indeed discovered it was a granary that he theorized was bought by King David and could have been the site of the temple.
 - He was unable to piece the “hollow sounding slab” in the middle of the Well.
 - He was heavily influenced by the teachings of Islam, but there is no evidence he ever converted.

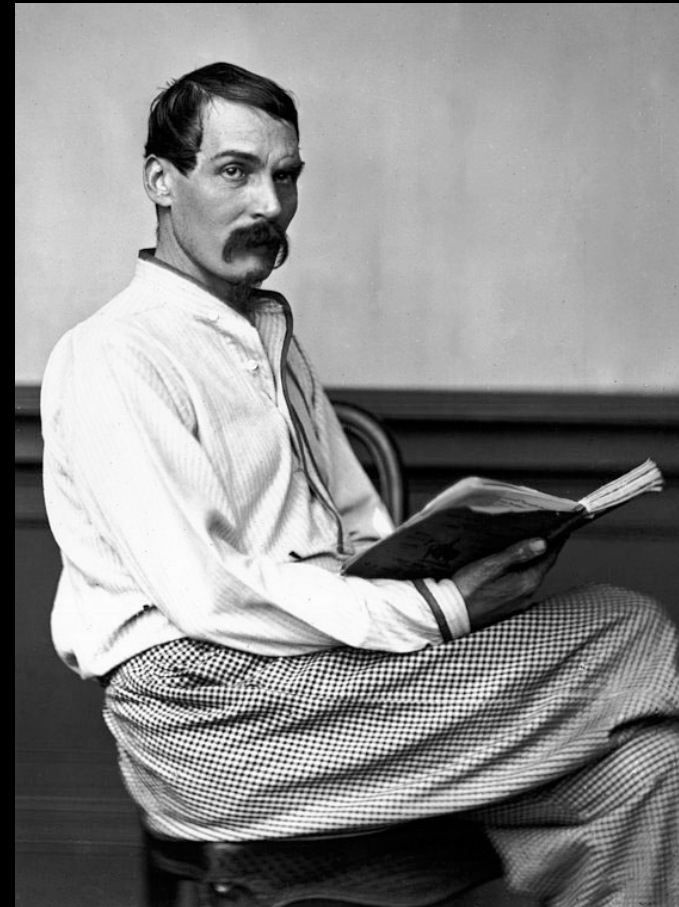

The End-Time Seals of Judgment

- Sir Richard Francis Burton (1820-1890)
 - It should be noted that he is not related in any way to the famous actor by the same name.
 - Burton became a prolific and erudite (he gained his knowledge by studying, not by academic work) author and wrote numerous books and academic articles on subjects such as human behavior, travel, falconry, fencing, sexual practices and ethnography.
 - The Dutch Physician, Dr. Abraham van Helsing, was “embarrassed” by the mass of pornography Burton possessed.
 - They encountered each other when he was doing research on Middle Eastern blood diseases (that had arrived in Europe) around 1869-1873 (Dr. Van Helsing was a Hematologist) when Burton was the British Consul in Damascus, Syria.

The End-Time Seals of Judgment

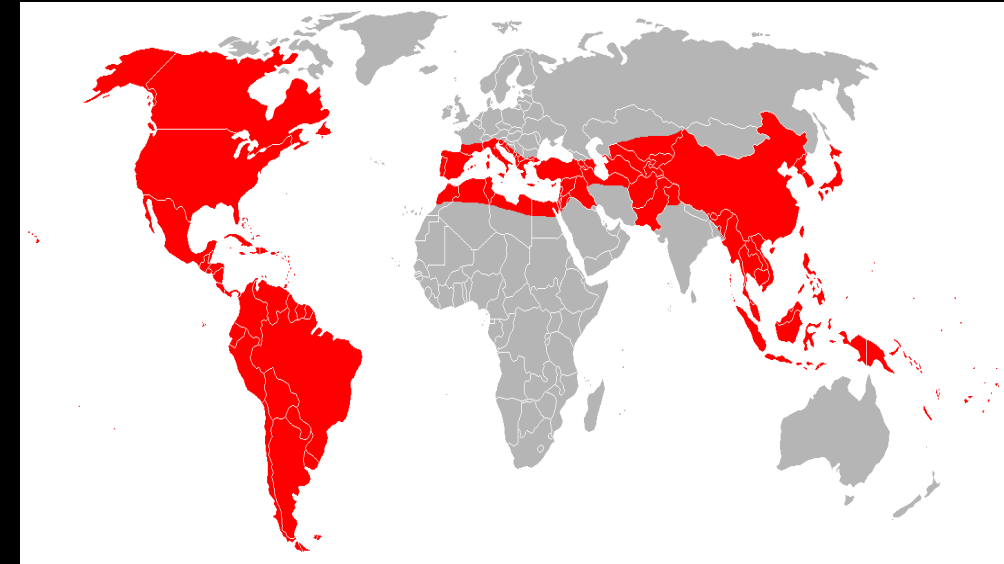

- Sir Richard Francis Burton (1820-1890)
 - When analyzing history, it is important to evaluate the character of the person delivering history to us.
 - Throughout his life, he referred to himself as an atheist even though he had Christian and Islamic influences in his life. He still claimed to be a member of the Church of England even though his wife was Roman Catholic.
 - Burton was part of the Kama Shashtra Society, which studied the various facets of human sexuality. Because pornography was illegal via the Obscene Publications Act of 1857, he used this society to print and circulate pronographic books.

The End-Time Seals of Judgment

- The Sotadic Zone

- One of the more bizarre accusations of Sir Richard Burton was his contention that this map shows where Pederasty and Sodomy were “endemic.”
- His argument could be easily sustained in Asia, North Africa, Southern Europe, and even South America... but North America?
- What did Sir Richard know about North America that is not readily disclosed?
- Could this be the “fourth” of the world where judgment is now happening?

The "Sotadic Zone" of Burton encompassed the Mediterranean coastlines of Southern Europe and North Africa, the entire region of the Levant, larger areas of the Middle East and Asia, and all of the Americas.

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - The Altar of Souls is a place where all the souls of them that were “slain for the Word of Elohiym” and their testimony.
 - It is for this reason that it is likely this altar is not in Jerusalem.
 - While Sir Richard Burton was a very learned man, it is clear that Biblical Scholarship is NOT one of his fields of study.
 - The current Jerusalem was “discovered” by the Hasmonean Empire. They pronounced it the “capital of Israel” in the second century B.C. when they found a decrepit temple in the city.
 - They found an image of the Roman god Jupiter in this temple???

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - When Yahusha (Jesus) made his last reference to this temple, he said the following:
 - Behold, your house is left unto you desolate. (Matthew 23:38)
 - Yahusha made it very clear that this temple was of their own making and NOT authorized by Our Heavenly Father in any way, shape or form. (Would Our Heavenly Father authorize an Edomite to build a temple for Him?)
 - If this temple was authorized by our Heavenly Father, then Sir Richard Burton would have found the real Well of Souls there.

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - The Bible shows a different location for the Temple:
 8. Hear now, O Yahusha the high priest, you, and your fellows that sit before you: for they are men wondered at: for, behold, I will bring forth my servant the Branch.
 9. For behold the stone that I have laid before Yahusha; upon one stone shall be seven eyes: behold, I will engrave the graving thereof, says Yahuah Tseva'oth, and I will remove the iniquity of that land in one day. (Zechariah 3:8-9)

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - The Bible shows a different location for the Temple:
 4. Yahuah is in his holy Temple, Yahuah's throne is in heaven: his eyes behold, his eyelids try, the children of men. (Psalms 11:4)
 12. Him that overcomes will I make a pillar in the Temple of my Elohiym, and he shall go no more out: and I will write upon him the name of my Elohiym, and the name of the city of my Elohiym, which is Renewed Yerushalayim (the KJV says "new Jerusalem"), which comes down out of heaven from my Elohiym: and I will write upon him my new name. (Revelation 3:12)

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - Clearly, the Well of Souls is in the temple that is in Heaven, not on the earth.
 - When Solomon's temple was built, our Heavenly Father said he would "put his name there," which is an endorsement.
 - Ezra's temple was finished in 414 B.C., it is not discussed by either Ezra or the minor prophets of the time. We only know of its existence from secondary sources.

The Temples of Man

- The Tabernacles/Temples of Man
 - 1) The Tabernacle of Moses, Eli, Samuel, and King David
 - 2) Solomon's Temple
 - 3) Ezra's Temple
 - 4) Herod's Temple
 - 5) The Bar Kokhba Tabernacle and Temple?
 - 6) The Constantine Tabernacle and Temple (never completed)
 - 7) The Trump Temple??? (Is it authorized?)

The End-Time Seals of Judgment

- Seal Five – The Altar of Souls Cries Out!
 - These “people” now pray to our Heavenly Father to:
 - These martyrs know more than anyone what needs to be done.
 1. Judge the evildoers on the earth
 2. Avenge their blood as He did for Abel
 3. Our Heavenly Father promises to do these things when the last martyr is killed.
 - The next seal will be interesting indeed...

The End-Time Seals of Judgment

- Seal Six – The Visit of Typhon to the Earth

12. And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

13. And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.
(Revelation 6:12-13)

- Author Olaf H. Hage III researched this phenomena and discovered that similar events to this one have happened every 5,250 years.

The End-Time Seals of Judgment

- Seal Six – The Visit of Typhon to the Earth

12. And I beheld when he had opened the sixth seal, and, lo, there was a great earthquake; and the sun became black as sackcloth of hair, and the moon became as blood;

13. And the stars of heaven fell unto the earth, even as a fig tree casteth her untimely figs, when she is shaken of a mighty wind.
(Revelation 6:12-13)

- Author Olaf H. Hage III researched this phenomena and discovered that similar events to this one have happened every 5,250 years in earth history.

The End-Time Seals of Judgment

• Seal Six – The Visit of Typhon to the Earth

- When Olaf researched earth history, he found that these events happened just before the arrival of the star/comet Typhon (Wrongly called Planet X).
 - When Typhon arrives intersects with the earth's orbit, it brings with it fireballs. The world has been seeing an increase in these fireballs the last few years.
 - Typhon's elliptical trajectory is similar to that of a comet, but it moves considerably slower. We see comets every 100-300 years.
 - When Typhon goes around the sun, it grows in size and shape!

The End-Time Seals of Judgment

• Seal Six – The Visit of Typhon to the Earth

- When Typhon goes around the sun, it will return back to earth's orbit and will effect many "earth changes."
- The fireballs will be larger, almost the size of asteroids.
- Typhon will also obscure the light of the sun, causing the sun to get black, and causing the moon to become deep red.
- As the enlarged Typhon gets closer to the sun, the earth's winds will become uncontrollable.

The End-Time Seals of Judgment

- Seal Six – The Visit of Typhon to the Earth

14. And the heaven departed as a scroll when it is rolled together; and every mountain and island were moved out of their places. (Revelation 6:14)

- As Typhon gets closer to the earth, the winds will intensify to the point that mountains will be blown out of their places and water levels will change where islands are located.
- Last time Typhon came, many cities were “lost.” The most notable one is Atlantis. When the Greek Philosopher wrote his compilation of books: *The Republic*, he saw Atlantis as an ongoing city.

The End-Time Seals of Judgment

- Seal Six – The Visit of Typhon to the Earth
 - The Lost Cities of Typhon
 - Atlantis – A city famous for its ancient wisdom and its collection of knowledge.
 - Spiro Mounds, Oklahoma – Once a city of 250,000 in North America, it is now abandoned.
 - El Dorado – The capital of the Seven Cities of Gold, it was also a wealthy city in North America.
 - When Typhon came near the earth, it brings the Judgment from Yahuah.

The End-Time Seals of Judgment

- Seal Six – The Visit of Typhon to the Earth

15. And the kings of the earth, and the great men, and the rich men, and the chief captains, and the mighty men, and every bondman, and every free man, hid themselves in the dens and in the rocks of the mountains;
16. And said to the mountains and rocks, Fall on us, and hide us from the face of him that sitteth on the throne, and from the wrath of the Lamb:
17. For the great day of his wrath is come; and who shall be able to stand? (Revelation 6:15-17)

The End-Time Seals of Judgment

- Seal Six – The Visit of Typhon to the Earth
 - When the deluge came and wiped out much of the earth in the Book of Genesis. The Patriarch Shem realized that he needed to come up with a system to warn earth when the next disaster would come.
 - Shem consulted the Watchers and discovered a system using standing stones like Stonehenge to project when Typhon would come again.

The End-Time Seals of Judgment

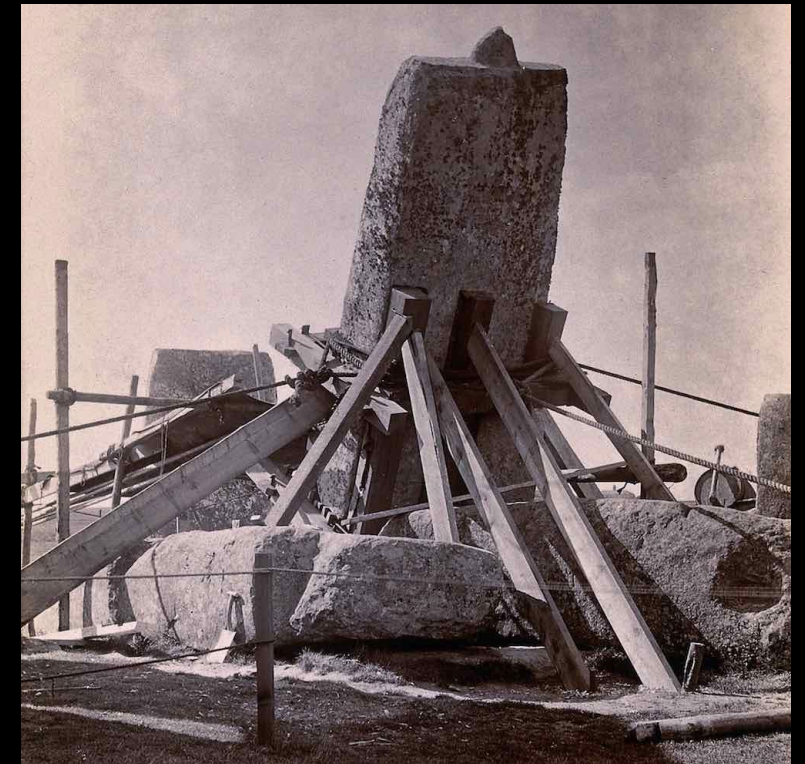

- The Megaliths of the sons of Noah (Jubilees 10)
 - It seems that all the sons of Noah committed wickedness in the sight of Yahuah and consulted the Watchers to get medicine and other technologies.
 - These sons crossed the line by creating megaliths to project when the next Typhon would come. Stonehenge was one of those megaliths.

The End-Time Seals of Judgment

- The Megaliths of the sons of Noah (Jubilees 10)
 - They seemed to work because in future ages, the ancients were able to use them to prepare for when Typhon would arrive to torment the earth again.
 - In about 3,000 B.C., the Chinese had a system of tunnels to use when Typhon arrived.
 - In the West, many of the standing stones used in these megaliths were tampered with and not kept in alignment.

The End-Time Seals of Judgment

- “Repairing” Stonehenge in 1901:

The End-Time Seals of Judgment

- “Repairing” Stonehenge in 1901:

The End-Time Seals of Judgment

- Unfortunately, when they “repaired” Stonehenge, they no longer had the necessary measures to place the stones in the right places.
- Even worse, in North America, most of these standing stones were dismantled and used for other purposes.

The End-Time Seals of Judgment

- However, our New World Order leaders have created a system of tunnels to hide their principal leaders from the coming deluge.
- The Sixth Seal was bad, but what about the seventh?
 - Can it be any worse?
 - Indeed, it opens up seven more judgments!
